

How to *get started* with Wellthy

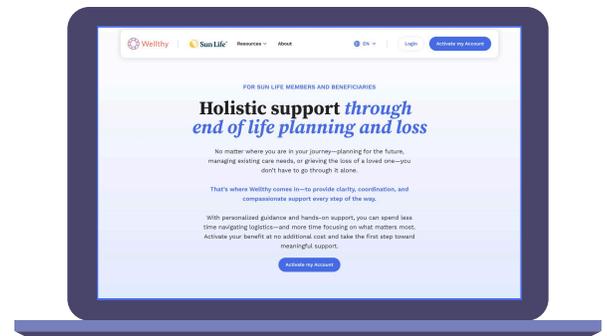

Follow the steps below to create your account, connect with a Care Coordinator, or begin using the self-service tools within the Care Dashboard.

Whether you're proactively planning ahead, caring for a loved one through their end of life journey, facing a sudden loss, or simply want to connect with others who are caring, Wellthy's suite of offerings meet you wherever you are in your caring journey.

1 Create an account

Visit wellthy.com/member/sunlife-yourjourney and click 'ACTIVATE MY ACCOUNT'. Enter your name, email, and a password. You'll need access to your email to verify your account.

2 Confirm your eligibility

When prompted, verify your eligibility by checking the box to confirm that you are either:

- A Sun Life life insurance member
- A beneficiary of a Sun Life life insurance member
- A loved one caring for a Sun Life life insurance member

Confirm your eligibility
